SOME LOVE RECIPES.

"Love is just a cobweb, wet with morning dew; Love is just a fairy spell, invisible to view; A tread—touch too heavy—and the cobweb is not there. A sigh too long—and lo! the spell has vanished into air!"

"Pooh!" laughed a widow, mockingly. "I know a better one than that!"

"Take half a pound of sugar
And set it on the stove,
When melted, pour some honey in,
And spice it. That is love!"

"Take a cup of vinegar,
But not a drop of honey,
Pepper well, and set to cool,
And that is—matrimony."

Mrs. Bessie Smoot, Who Slew Her Husband, Released—Hung Jury

The trial of Mrs. Bessie Smoot at Flemingsburg, who shot and killed her husband, Ed. Smoot, resulted in a hung jury and the woman is to go acquit. Concerning the case The Fleming Gazette says:

"It is understood that when the jury was dismissed it stood 11 to 1 for acquittal, but that on the first ballot the vote was divided, 7 to 5 for conviction."

"The case was an exceptional one for Fleming, and was perhaps the first instance where a woman was on trial for her life for killing her husband."

"The suspense of the case was trying on the prisoner, but she was passive throughout and bore the strain well."

"The case will probably come up for trial again at the next term of Circuit Court."

"Application was made for bail, and the Court fixed her bond at \$2,000, which was given Monday."

BRILLIANT AFFAIR

Birthday Anniversary and Family Reunion—A Notable Event

May 25th was always a day of rejoicing at "Mound Place," the hospitable Chenoweth home near this city, the occasion being the birthday of the Chenoweth twins—Henry and Julia.

Yesterday was the golden birthday anniversary of these two much-loved and highly esteemed ex-Mayavilians, and to fittingly observe their arrival at life's half century milestone, it was but meet that the happy festal should be held at their Old Kentucky Home, amid scenes of childhood's joyous hours and surrounded by relatives and friends of halcyon days of yore.

"Backward, turn backward,
O, Time, in your flight,
Make me a child again
Just for tonight."

The inclement weather interfered and curtailed the program as pertained to the features intended for the lawn that surrounds the beautiful residence, but the palatial and commodious home of Mr. and Mrs. R. A. Cochran in West Second street was a bower of loveliness in its arrangement for the occasion.

Mrs. Kitty Poynz, aunt of Mrs. Gilman and Mr. Chenoweth, assisted by her daughter, Mrs. Robert A. Cochran, dispensed hospitality as only queenly Kentucky womanhood can.

The reunion was a great social event, one of the most brilliant that has occurred in this city in many a day. There were those present who had traveled hundreds and thousands of miles in order to join the happy assemblage in congratulating and paying tribute to the honored guests of the occasion.

Those present were—

Mr. and Mrs. Victor Gilman, St. Paul, Minn.

Mr. Henry Chenoweth, Birmingham, Ala.

Mrs. J. C. Burnett, Louisville.

Mrs. W. H. Crump, Bowling Green, Ky.

Mr. and Mrs. John Harrison, Helena, Ark.

Miss Mary Shelby, Lexington.

Mr. Richard Ernst, Cincinnati.

Mr. John Cochran, Cleveland.

Mr. E. Stanley Lee, Ironton, O.

Mr. and Mrs. Basil Duke, Cincinnati.

Mr. and Mrs. John C. Everett.

Mr. and Mrs. C. D. Pearce.
Miss Mary Eliza Richeson.
Mr. and Mrs. W. H. Means.

The festivities beginning yesterday with the anniversary celebration at the home of Mr. and Mrs. Cochran extend throughout the week.

This evening Mr. E. P. Browning gives a dinner to the out-of-town guests.

Tomorrow afternoon Major and Mrs. Thomas J. Chenoweth, assisted by Mr. and Mrs. Hiram P. Chenoweth, entertain with an elegant reception at their beautiful home in the East End, and many other entertainments are being arranged for.

John Carter, aged 75, and three children of his daughter, Mrs. Lela Shaw, were burned to death in a fire which destroyed the Shaw home at Eldon, Iowa.

The expenditures for active militia during the last year to January 1st, 1909, on account of night rider troubles, was \$161,138.99, and has been increased to some extent since the present year because of occasional troubles. Thus it will be seen that a large burden on the State and the deficit have been largely increased because of this fact.

SERVICES REWARDED

Representative Henry M. Denham Gets Nice Political Job

As a reward for rather unprecedented political services, Henry M. Denham, member of the Kentucky Legislature, has been named by Senator Bradley, as operator of one of the Senate elevators at a salary of \$1,400 per year, says a dispatch from Washington.

During the Legislative contest in which Senator Bradley was named, Denham, although ill of pneumonia, insisted on being carried to the State House on a cot.

Then, at the close of the long drawn out contest, when the final vote on Senator had been taken, but had not yet been announced, Captain Longmire, Sergeant at Arms, drew his revolver, presumably with the intention of starting a fight on the floor of the Legislature.

Without an instant's hesitation, Denham arose from his sick bed, drew his own revolver, and walking over to the Captain, said quietly: "Captain, remember that when the firing begins you and I are paired." The two glared at each other for a moment, and then both returned their revolvers to their pockets.

Home-Grown Strawberries

Now coming. My supplies will come direct from the growers by express and will be on sale here on same days they are picked. Will be sold WHOLE-SALE and RETAIL in full-size cups just as they come from the patches and will be as heretofore—the best that come to this market. The long-protracted drought last year killed out many of the patches and the crop will be short, and my advice to those who want berries is to not put off securing what they may want. I am expecting some very fine berries, so place your orders with me and I will guarantee satisfaction.

My supplies of vegetables are now principally HOME GROWN and I am in position to at all times furnish the best and the freshest.

Flour is still booming. This week I am going to offer the Famous

Perfection FLOUR \$7.50 Per Barrel

and at that I am still under the market. Just received my last shipment of FANCY OLD POTATOES from the North for both table and planting purposes.

From the Garden to You!

Out of the ground today and on your table tomorrow. That's what makes our green vegetables so popular. The green goods and vegetables you get from us are always crisp and fresh, because we buy from day to day only as much as we can sell. A lot of people didn't know how fine and tasty vegetables could be until they began to buy from us. You'll get the habit, too, when once you start. Begin today. We get them home to you before the dew is off of them.

Never neglect your kidneys.

If you have pain in the back, urinary disorders, dizziness and nervousness, it's time to see and no time to experiment. These are all symptoms of kidney trouble, and you should seek a remedy which is known to cure the kidneys.

Doan's Kidney Pills is the remedy to use. No need to experiment. It has cured many stubborn cases in this vicinity.

Can Mayville residents demand further proof than that contained in the following testimonial?

Mrs. Mary C. Evans, Vanceburg, Ky., says: "I had troubles by disordered kidneys for fifteen years. My back was very lame and I suffered from a great many other symptoms of kidney trouble. Doan's Kidney Pills helped me more than anything I had previously used and I am therefore pleased to recommend this medicine to other sufferers."

For sale by all dealers. Price 50 cents Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

They are made of first class material and by experienced workmen. They are the kind that wear well and are satisfactory to the feet.
